prices are subject to change without notice

general information:

Orders:

- 20% deposit for order placement
- Remaining balance due before the finished instrument is shipped (or in case of custom name- or pattern engraving, before the shell or hoops are engraved / you'll be contacted approx. 1 week in advance).

Delivery time:

Delivery time always depends on the current order situation.

AK Drums is just a small one-man operation and all of the AK drums' components are manufactured in-house.

Name- initials engraving:

Custom engraving of name or initials on the shell or top hoop is included (sketches will be sent when an order is placed)

Engraving is done in-house and *by hand* (traditional "wriggle" style brass instrument engraving).

Payments:

- bank wire transfer in Euro (bank details: <http://www.ak-drums.com/Contact/Bank-Details.html>)
- PayPal in Euro to postmaster@ak-drums.com

Re. price without VAT (*net export price):

For EU residents: if you have a valid EU-VAT number, I can invoice the amount without the tax. Otherwise, if the instrument is bought as private customer, 22% of Italian VAT have to be added to the Net price.

For customers in non-EU countries: invoices are made out without Italian VAT (22%).

You will have to take care of the *customs duties / import fees of your country* before or when the package gets delivered.

Shipping costs:

All drums are shipped via Poste Italiane (Italian Postal Service).

Approx. 95,00€ for one snare drum to the USA (6-7 days delivery time).

Approx. 40,00€ within the EU (2-3 days delivery time)

Please inquire for shipping costs to other countries.

Returns:

custom orders are not returnable, as they're made specific to one person's request.

Feel free to inquire for an exact quote regarding your personal dream instrument!
